To see many examples

- ***Must have some slab building experience*** and/or have taken Elaine's beginning slab building workshop.
- ***Price of workshop includes*** a month's membership to Blossom Hill Crafts in Los Gatos where you may return to glaze and have your creations fired. Functional pieces will be high fired. Wall pieces may be high fired or raku fired but raku firing is not part of the class.

What you can bring to the workshop

- 1 Bag lunch
- 2 Bring your own clay and take your pieces away that day to fire yourself or purchase clay from BHC which includes cost of glazes and firing.
- 3 Any stamps you've made and/or collected.
- 4 A white or silver colored pencil or crayon for tracing templates onto tar paper.
- 5 Your sense of humor and energy for an exciting exchange of new shapes, textures, ideas
