

TEXTURMANIA!

A 2 day hands on slab building workshop featuring the Texture Twins
Elaine Pinkernell & Lynn Wood

Sat/Sun Sept 8,9
9:30am—4:30pm

This is for those with some experience in clay.

Workshop held in Elaine's beautiful studio
114 Pioneer Rd, Watsonville CA 95076
Space Limited to 12 participants

Join two renowned Bay Area texture aficionados as they take you on a fun, informative, and laugh filled adventure deep into their worlds of texture as a design focus. They will each demonstrate projects using their own inventive techniques and suggest ways to combine the two. There will be plenty of work time and even a surprise activity!

Be prepared for spontaneous combustion of creativity!
